RE: Recommended 2024-25 Student Services Fee Allocations

We are writing to inform you that the Chancellor's Student Services Fee Advisory Committee (SSFAC) performed its annual review of the programs and activities funded from Student Services Fee (SSF) revenue. We ask for your approval of the following budget adjustment recommendations:

1. Provide a recurring increase of \$86 to Family Services to cover an increase in cost for the Childcare Referral Service.
2. Provide a temporary allocation of \$26,336 (which includes a 5% increase) to Family Services for the Bright Horizons contract to provide Backup Childcare for students with dependents.
3. Provisionally provide a recurring increase of \$65,858 (3%) to Student Health and Counseling Services, subject to adjustment with the impending movement of primary care services to UCSF Health. Further, the committee will request that Student Health and Counseling Services (SHCS) provide quarterly updates to the Student Services Fee Advisory Committee (SSFAC) via email as well as the Student Health Advisory Committee (SHAC).

The total expense budget of \$4.0 million would be funded from the SSF projected revenue of \$3.3 million, the projected Chancellor's subsidy of \$716,000, and SSF fund reserves, if needed.

The committee was made aware that the SSF increase of \$48 (approximately 4%) for 2024-25 will not result in a significant increase to budgetary capacity after mandatory increases to allocations for financial aid and student mental health (of approximately \$33,321). The table below summarizes the committee's funding recommendations for 2024-25.

Background

During the planning process, the SSFAC asked programs and activities funded by and/or requesting Student Services Fee funds to:

1. Assess and report on student access to and utilization of services with the data segmented by campus location(s)

CHANCELLOR'S STUDENT SERVICE FEE ADVISORY COMMITTEE
University of California San Francisco

2. Describe efforts to assess the current needs of students, consider essential unmet needs, and disclose underutilized services from which funding may be reduced and potentially diverted to different programs and services that can better serve the current needs of students; and
3. Present ideas about better collaboration between units to achieve operational efficiencies while still offering the same level or better service to students.

Responding units completed a proposal template with the following information:

- Description of department's mission and goals
- Organizational chart
- Summary of the budget requested, with explanations for any difference in amount from prior year, with conditions for temporary requests explained.
- Description and illustration charts summarizing both prior year and next year's fund sources and expenses, by type, including highlights of any changes to unit's programs and services as compared to previous years.
- Description of hybrid services and its assessment and evaluations of operations and services
- Resource inquiry
- Description of the department's outreach efforts informing students of its services
- Student feedback, e.g., program evaluation results, survey results, testimonials

Additional Recommendations

The committee also made the following recommendations:

- Student Life: increase outreach regarding available services, such as tabling at food market or resource fairs.
- SHCS Mental Health Services: provide information to students regarding dedicated mental health liaisons in each school.
- Family Services: publish an educational guide regarding safety in using dependent care providers through the Sitter City agency.
- Student Life: consider how to support students on externships, such as with food security in remote areas.

Please contact us if you would like any additional information regarding these recommendations or the Committee's work. The names of the committee members and staff contributing to this effort are attached.

Finally, the Chancellor's Student Services Fee Advisory Committee appreciates the continuing support of UCSF leadership necessary for sustaining and enhancing the quality of student life at UCSF. Thank you

again for your support
